

BBCSanitizing: Gifting Cleaning Services In Support of Cancer Patients

Mykhala Chatman-Nash

As you know, October is breast cancer awareness month. Throughout the month there will be fundraisers, walks, community-sponsored events, and ceremonies. There are so many ways to get involved in supporting & honoring cancer patients and their families.

Have you ever heard of Cleaning for a Reason? It is a non-profit organization. The organization provides free house cleaning services to patients undergoing cancer treatment. Cleaning for a Reason partners with more than 1,200 residential cleaning companies throughout the United States and Canada.

They offer free house cleaning to any household battling cancer. Since 2006, the nonprofit and its partners have donated more than \$17 million in services, helping more than 50,000 cancer patients. BBCSanitizing is excited about gifting cleaning services through our partnership with Cleaning for a Reason.

Personally, both my great-grandmother and grandmother battled cancer. My great-grandmother lost her battle long before I was born. My grandmother was surrounded by a large family and a vast support system

BBCSanitizing Team: “We are thrilled for the opportunity to partner with Cleaning for a Reason in honor of our and others’ loved ones.”

Mykhala, “It is pretty cool that as a business owner, I get to decide what cause my company will contribute toward. Partnering with Cleaning for a Reason was an easy decision.”

I realize not everyone has access to a whole support system. But that does not lessen their need. BBCSanitizing is more than happy to be that support for someone else's family member.

Everyone deserves a clean workspace. And fighting cancer is the hardest kind of work. Through our partnership, we will support the homes of at least two cancer patients for two consecutive months free of charge. This is an ongoing service to patients residing in the West Valley of Arizona and surrounding areas. The holidays are coming. Do you know a patient undergoing treatment who has household cleaning needs?

Let Cleaning for a Reason help them get their home holiday ready. If you want to support a cancer patient & their family, please formally apply through Cleaning for a Reason's onboarding website, visit cleaningforareason.org.
